

# INNOVATION LAB

RMP Partners come together to solve really challenging problems that stand in the way of community members ability to be economically and socially mobile.

**This is a space for partners to explore innovation, creativity, taking risks, and solving problems that partners might not be able to take individually or within their own organizations alone** and an opportunity to lift innovative ideas/unique challenges to their peers to see if there is interest in digging into it further as a network or working group.

## PRESENTER(S)

Bring innovative idea or opportunity to the group to scope

## CONTRIBUTORS

Hear innovative idea or opportunity and help determine if there is interest in digging into it further

### SET THE CONTEXT

Share overview of the strategy, idea, opportunity, challenge

### ACTIVELY LISTEN

Should not be speaking, just absorbing information

### ACTIVELY LISTEN

Should not be speaking, just absorbing information.

### ASK QUESTIONS

Offer open ended questions, wonderings, responses

### GREEN, YELLOW, RED LIGHT

Reach consensus on if this is an idea that the group feels is worth further exploring

### CONFIRM NEXT STEPS

- What questions still need to be answered?
- What conversation does the group want to have next as they explore this idea?
- Are there related time boundaries to be considered?
